

Harms Carpet One Floor & Home is proud to present our first formal fundraising opportunity for Toledo area schools. We have been a part of the northwest Ohio community for nearly 50 years and have always made it a priority to support local children's causes every year via donations and community-based projects. Fundraising has become a necessity and at the same time an onerous process for children and their families. We believe that by donating a percentage of each sale via our "Giving Back to Schools" program we can become a significant funding source for designated schools without the time commitment commonly associated with other programs.

Specifics of the fundraiser are as follows:

- 3% of the pre-tax sale of new flooring will be donated to a school designated by the
○ consumer
- Special monthly product promotions will result in a larger percentage being donated
- Schools will receive a quarterly check and report of purchases by consumer name
- All parents, grandparents, relatives, and friends are eligible for this program
- Consumers only need to fill out the following form and provide it to a salesperson
- when they visit our store (additional forms and details will be available in store)

Consumer Name _____ Phone _____

Designated School **Lial Catholic School 5700 Davis Rd. Whitehouse OH 43571**
