## **Looking For Lots of Words!!**

As a family will you please look through magazines and newspapers to find as many words and phrases as you can to describe Lial Catholic School. The larger the font, the better it is. I have a whole school project that I'd like to do before Open House in March but I need the words that you would use to describe our school. Please cut out the words/phrases, put them in a small envelope and send them to school as soon as you can, deadline March 3.

## **Open House**

We will have our Open House on March 7 from 12:00-3:00. In last week's envelope we included two invitations to the Open House. Please, personally invite two families to our open house. We have many openings for 4 year olds. Older students will be put on a waiting list and we will call them as soon as we are able. Open registration begins March 15 after all our current families have had a chance to register. Word of mouth is our best marketing, please spread the good news!! Thank you!
