

Lial Scholarship Fund

Mission Statement: The Scholarship Fund shall provide financial support for qualifying students to meet the school tuition during a scholastic year.

Administration: A Scholarship Fund Review Board shall be appointed by the President of Lial Catholic School and shall evaluate requests for tuition assistance. The Review Board shall have at least three voting members, none of whom shall be current parents or their relatives. The president of Lial School will be an advisory, non-voting member of the Review Board. The decision of the Review Board on any request shall be final for the year of submission. Request may be submitted in a new school year without prejudice for any previous non-acceptance.

Procedure: Any parent or guardian of a student who needs tuition assistance must complete a financial disclosure statement (provided by the principal) and return it to the principal by the designated deadline. A form must be submitted for each year that assistance is desired. If requested by the Review Board, the parent or guardian shall provide any additional information or documents to fully evaluate the request. The decision of the Review Board shall be provided in approximately six weeks. Allocations by the Review Board, if any, shall be based on the available resources and the needs demonstrated by the filed scholarship fund requests.

Registration must be complete before any scholarships will be awarded. If attendance is dependent on receiving a scholarship, Lial will return the "non-refundable" registration fee if the family makes this known in writing at the time of registration.

Source of Funds: The Lial Scholarship Fund shall be funded by gifts and donations of supporters of Lial School. Other scholarships are available from Northwest Ohio Scholarship Fund and the State of Ohio.

Guidelines: The Review Board shall determine the distribution of Lial funds available for tuition assistance to qualified applicants. In no case shall a recipient receive more than half of one year's tuition as assistance from Lial. Services for the school may be required of those receiving scholarships.
