Lial Catholic School Registration & Tuition Refund Policy

Per page 23 of the Parent Handbook, as well as signed contracts on payment plans:

Registration fees are non-refundable, non-transferable due at time of registration.

Tuition Payments Plans are agreed upon at the time of registration.

Registration for the new school year is an implied contract that a family enters into with Lial Catholic School with the obligation to pay the full tuition. If circumstances arise that the family needs to leave Lial before the end of the school year, the responsibility to pay the full tuition is still required.

Addendum: Disaster Relief Policy beginning for the 2020-2021 school year

In the light of COVID-19 under Governor Stay-at-Home orders Lial Catholic school will continue to provide education to all enrolled students and therefore no refund is available and required tuition payments are due for PreK 3, Readiness, Primary, Intermediate or Middle School students.

Children enrolled in the Enrichment Program that provides half-day childcare service to families of Readiness students may receive \$75 credit given for weeks (4/5 days) missed due only to a Governor decreed Stay-at-Home orders. At the end of the year accounts will be reconciled and credit refunded if needed.

Families that find tuition payments too heavy a burden are asked to speak to the school leadership and allow Lial the opportunity to help.
