

Prayer for the New School Year

Dear Lord, we ask that you give our families, students, and teachers peace, courage, and joy as they begin a new school year. Bless their hard work over the coming months. Surprise them with unexpected moments of joy. Raise up this next generation of leaders and may they reflect Your love to those around them.

Amen.

One Call Now- are you enrolled?

This is the system used to contact families about weather delays, school closings, and emergencies.

Current parents - Do you need to update any phone numbers/emails? If not, then you do not need to do anything to enroll for this year.

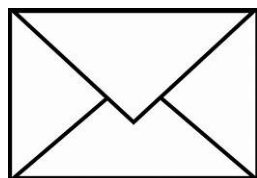

New families - You will need to be added to the contact list. Go to lialschool.org. Click on Parent Resources/Useful Links and then on One Call Now. Follow the prompts.

Our first test of the system will be Friday, August 25th. You should receive a text and email.

** Lial follows Anthony Wayne for weather delays and closings. You will not see or hear Lial's name on local news channels. One Call Now is the internal communication system & is typically sent out by 6:15am.

White Envelope

Envelopes go home each Tuesday with the oldest child in each family. Let the office know if you want to change which child receives it. Please return the envelope with any forms and/or communication back to the office every Wednesday. There are several important forms enclosed in this week's envelope. Enclosed are the following forms that need to be checked.

Forms Enclosed:

- **Front/Back Car Line Dismissal List**

Please feel free to email the office if you need an adjustment to the car line you are assigned. When in the car line in the morning and/or at the end of the day, **never pass another car** while in line.

- **Family Name Cards**

Family name cards are included in the white envelope to be used at afternoon carline. Please place the sign in the front windshield of your car to help us identify you, until we become familiar with cars. Each family was given two cards so they can be shared with others who may be picking up your student(s).

This form tells us how your child is getting home and who is allowed to pick them up. If these directions change, be sure to send a written note to the office stating the change.

- **Teaching Safety-Empowering God's Children**

2023-24 Parent Handbook

A copy of the handbook is on our website under Resource/Handbook. You can find forms, policies, and all sorts of great information in this section.

Transportation

Many school districts offer a payment in lieu of transportation for students (K-8) in their district. If offered, forms are due to the school district early in the school year. You will want to contact the transportation department of the school district in which you reside to see what is offered. Please take advantage of this payment, since this is a taxpayer's right.
