Watch for an email with a sign up for snacks. We have 22 girls this year!

We're always open to extra hands. Let us know if you'd like to help at meetings (even 1 or 2). We will need extra drivers for any field trips we do. I'll try to give as much notice as possible. Also, cookie season runs Jan-March so there's always opportunities to help with that.

Let us know if you have any questions!
