Be a life saver and let's help a Lial Family member!!!

### A Note from Nurse Amy

As the weather changes and we enter the flu and cold season, please remember your child should be fever free without the use of Tylenol or Motrin for 24 hours before returning to school when they are out sick or sent home from school.

### Birthdays treats

If you are planning on sending in a treat to celebrate your child's birthday, we ask that a 1-2 day notice be given to the family room teacher and the school nurse. Please provide the following information: what the treat is, if it is for the student's family room only or for the entire unit, and if possible a snapshot of the item with a list of the ingredients. This helps us include students with medical needs and allergies.

# BE A LIFE SAVER

Lial families past and present have benefited from the generous nature of the Gruber/Spenthoff families. Whenever something is happening they are the first to say "How can I help?" They all truly embody the Lial spirit.

Tim Gruber, a Lial past parent, grandparent, and former Lial Board Chair, is battling AML leukemia and often needs blood and blood platelets. Last week, Tim was put on a waitlist for platelets as there is a huge shortage. All of us have heard of a blood/platelet shortage but as with most things in life, we never realize how bad it is until it affects our most precious loved ones! At that very moment Peggy, Tim's wife, said "Let's do a blood drive!" This drive will help people like Tim who NEED the gifts a blood donation provides. No one should have to wait for life-saving help.

The Lial Community wants to show the Grubers that we stand with them. Sign up TODAY to start the holiday season by donating blood and saving lives!

Go to: <https://www.redcrossblood.org/>

There are 40+ spots open at the Red Cross on Executive Parkway  
for November 10<sup>th</sup>.

Sign up under zip code 43606 and scroll on the left sidebar and find  
the blood drive for Nov. 10th.

This is a wonderful way to support Tim and others who need blood/platelets.

Once again, the Middle School students will present a Live Drive-through Nativity here at Lial on Saturday, December 9<sup>th</sup> from 7:00 pm until 8:00 pm. We will be collecting donations for an area charity. Please help us spread the news about this wonderful event.

As part of the preparation for the Nativity we are decorating the front of the school with Christmas lights on November 18<sup>th</sup>. We are usually finished by 11:30. Everything is provided, we just need eager volunteers. *We will decorate no matter the weather.*
