Cereal & Can Collection

This week, students are asked to bring in cereal boxes and can goods for the OLL (Our Lady of Lourdes) food pantry. We are adding an element of fun to the collection. The breezeway will be divided into OH State & MI corners. If you want OH State to win, put your boxes or cans there, or if you want MI to win, put them in it's corner. The school goal is 700 cans and 250 boxes of cereal. Supporting our local families and celebrating our favorite team - it's a Win-Win for everyone!

**Every Child Every Family SGO Tax Credit
for Lial Students**

The Ohio Scholarship Fund Dba Every Child Every Family is a Scholarship Granting Organization and was established in 2022 as a 501c3 non-profit corporation.

This is a scholarship granting organization (SGO) which provides academic scholarship assistance for students to help families afford the K-12 school of their choice for their children.

SGO scholarships are funded by the individual donor and not by the state. Individual donors can receive up to a \$750 tax credit on their state tax liability or \$1,500 if filing jointly. Donors can contribute to a specific school that is listed or to the scholarship's general fund.

Donors wanting to support Every Child Every Family General Fund will be providing funds after board approval for scholarships for students attending enrolled schools that are experiencing financial hardship throughout the school year. Donors will need to save the email receipt to use as proof of their donation.

If you have any questions about Every Child Every Family email them at info@everychildeveryfamily.org.

Lial Families and Friends,

We would like to thank Ms. Cherry again for everything she has brought to Lial. She became the first lay Head Of School, which had no blueprint, and she did it with enthusiasm and vision. Ms. Cherry prayerfully considered what her family needed and informed the Board with enough lead time to perform a proper search to find her replacement. Her commitment to stay on for this year will allow for no changes in Lial's daily excellence and long term mission.

A quick update on the process;

Our search firm (Partners In Mission) was in town last week to see Lial in person. We created a schedule that allowed for all important aspects of the community (Teachers, Staff, Representatives of LPA, Board, SND) to provide insights into what makes Lial special. That information will allow them to create and communicate a robust picture for any and all interested prospective applicants. Our search will be both regional and national as we are looking for the best possible person to maintain and grow everything we love about Lial. We all know that excellence can come from many different places. Here's where you can help, if you know of someone who would be a good candidate, please refer them to the Partners in Mission website or to our direct contact (Chris Keavy, Partners in Mission at ckeavy@partnersinmission.com).

Our goal is to secure a strong, committed, faithful leader for our excellent school. A person capable of knowing and understanding what Lial has been, and fully capable of leading Lial to what it will become based upon that foundation. We will continue to share information as the process unfolds.

Sincerely,

Dan Rudski, Lial Trustees Board Chair
