

Lenten Prayer

Give each of us, Lord, the surpassing gift of Your peace and the certain hope of resurrection to newness of life in Jesus Christ. Indeed, send us forth from this place as Your agents of grace in the world that we may be to others salt and light, leaven and hope. Blessed be the God and Father of our Lord Jesus Christ.

Helping Hands is Next Week!

Please remember to bring in your food donation to support Lial in packing 250 brown bag lunches for those in need.

*** WE NEED VOLUNTEERS!***

Parent volunteers are needed to man stations, put meat/cheese/bread on trays, help the smaller students with the packing, and then deliver the food to the Helping Hands of St. Louis kitchen. If you would like to help with this wonderful endeavor, we will need you beginning at 7:45 and lasting until the food leaves Lial, about 10:15 or so. We will also need drivers to take the food to the St. Louis kitchen. If you can only help with the packing that is fine, or if you can only drive the food, that is fine, too. Please email Mrs. O'Donnell if you are interested. We need at least 11 adults to help the packing run smoothly.

Parent Volunteers for Helping Hands Project (need at least 11)

Dear Parents,

As you know, we are packing 250 brown bag lunches for Helping Hands of St. Louis on Wednesday, March 27th. We are in need of volunteers to help with the packing. Volunteers are needed to man stations, put meat/cheese/bread on trays, help the smaller students with the packing, and then deliver the food to the Helping Hands of St. Louis kitchen.

If you would like to help with this wonderful endeavor, we will need you beginning at 7:45 and lasting until the food leaves Lial, about 10:15 or so. If you can help the whole time, that would be appreciated. We will also need drivers to take the food to the St. Louis kitchen.

If you can only help with the packing that is fine, or if you can only drive the food, that is fine too. Please email Mrs. O'Donnell if you are interested. We need at least 11 adults to help the packing run smoothly.

Thank you for your support.

March Madness Reading Log

- Record your NIGHTLY reading in minutes on your reading log. For example, if you read for 1 hour and 3 minutes, record it at 63 minutes.
- Sunday night or Monday morning BEFORE school, add up all the MINUTES that you read for the week.
- Have a parent SIGN your reading log sheet AFTER you've added up the minutes.
- Make sure your sheet has your name it.
- Be sure to turn in your log on Monday mornings. If you have no signature, then your minutes DO NOT COUNT.
